# Out-of-State Out-of-Country Acknowledgment

We wish to be members of the South Carolina Association of Independent Home Schools (SCAIHS) while living in a state other than South Carolina or in a country other than the United States of America because we desire the services and personal accountability that SCAIHS provides. We acknowledge that membership in SCAIHS alone may not provide legal accountability for residents outside South Carolina. We are aware that SCAIHS recommends that we take any additional steps necessary to comply with the compulsory attendance requirements of the state or country in which we reside.
